Hello BDC!

I truly hope the back-to-school season has been filled with excitement to reconnect with friends and teachers, finding joy in returning to a routine, and hope for our communities to remain healthy and happy!

We are SO ready to be back into the full swign of things! Though things will be a little different, we just cannot wait to see our beautiful students and get back to doing what we all love so much!

I cannot stress this enough... This email is VERY important! So much so, that if you skip an important step in our COVID safety plan, we could have to ask your child to be picked up from class. No one wants that!! So I do ask that you read through (I am making this as concise as possible!!) so we can all have an exciting and smooth transition back into the studio!

See you soon!!

CHANGES TO CLASSES

There have been some changes made to class times.

If you're impacted, you've already been emailed!

Before you talk, listen.
Before you react, think.
Before you criticize,
wait. Before you pray,
forgive. Before you
quit. Try!

online academy

NOT READY TO BE IN THE STUDIO? SICK? NEEDING TO ISOLATE?

WE'VE GOT YOU!

Our Online Academy will be available for all students in all classes.

Whether you're wishing to do all classes virtually, or just once in a while, we just need an email prior to, to get you set up!

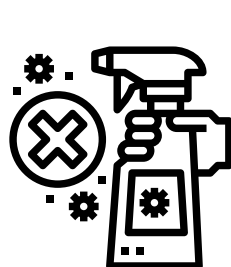

Hey! This is Important!

Bravo Dance Co. takes the health and safety of our staff and students extremely seriously

Any student or parent with cold/flu symptoms must stay home. Students will not see their attendance effected by illness.

All common surfaces, including floors will continue to be thoroughly cleaned as often as possible by our team.

Every student will need to have a completed COVID waiver before entering the studio. This is done on our website, www.bravodanceco.com. Every student must abide by this rule, no exceptions.

Physical distancing will be enforced in all classes. We have multiple strategies ready to deploy in order to maintain distancing and make it easy to follow for young students.

COVID Waiver, available on our WEBSITE (NOT the portal!!).

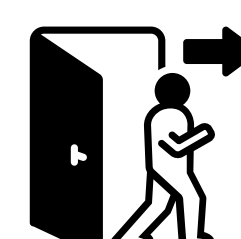

Experience.
Learn.
Grow.
Dance!

Without a waiver, no dance class!

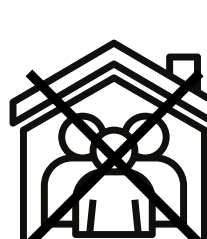

Child dances two nights a week? We need a new waiver done each day. Child has multiple classes in a night? One waiver for the night is good.

Entering and exiting the building will be one-way only. Enter only at the enter door, and exit only at the exit door. This will help with traffic flow and maintaining physical distancing.

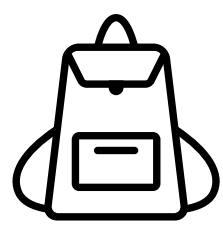

Until further notice, our waiting room will be closed, with the exception of:

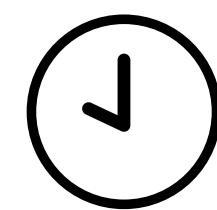

- 1) Students may stay between classes
- 2) One parent/guardian is allowed to remain in the building for any dancer who is 5 years of age or younger.

All students will be required to wash or sanitize their hands before and after class.

Students are not permitted to bring bags or hang jackets to the hooks. Students must bring their own water bottle and their dance shoes only. They will be given a designated spot to keep their items during class.

Students arriving for class may only enter the building 5-10 minutes before their scheduled class time to limit the number of people inside.

Kindness over everything! Because we respect that we all have unique opinions and we respect everyone's opinions, no COVID talk will be allowed inside BDC. We encourage our BDC family to, as always, display nothing but kindness for others.
