

Miss Meagan's

memos

August 6/18

Hello All!

I hope everyone has been enjoying their summer! We have been lucky with some wonderful weather this year!

A big welcome to all our new families, and a hello to all those returning :) We are getting pretty excited to kick off Season Three with some exciting stuff coming with it!

This newsletter is something that comes once a month and helps to keep you up to date on what is happening at the studio. I try to keep it to the point and only include the critical items.

Email is our primary form of communication, so PLEASE have a thorough read through anything we may send your way!

Yours in Dance,

Miss Meagan .xo
